

PACKING ADVICE

Please refer to Page 9 of the posted Parent Guide for additional information.

We recommend that campers bring two duffle bags (bags with a zipper across the front are preferred). Please include a laundry bag.

Please use the luggage tags provided to you to label your child's bags.

Please do not send more than two pieces of luggage per camper.

SOME HELPFUL SUGGESTIONS

- Send older clothing (whenever possible).
- Simple and practical clothing is most suitable for camp.
- Do not send expensive clothing; some articles may not return.
- When purchasing new camp equipment, don't buy the most or least expensive. Buy durable equipment that will endure. Purchase it from a company that will provide quality service.
- Camp bunk beds are COT or TWIN size. Mattress covers are optional.
- LABEL EVERYTHING with your child's full name: S. Stein or Susie S. are not sufficient.
