As summer approaches, some parents and campers begin to become anxious about attending camp. Parents begin to answer their child's questions such as "Who will be in my bunk? What if I don't know anyone? What if I am not in my friend's bunk? Who will be my friend?"

As you indicate your child's bunk request, please keep the following in mind:

- *Camp is the perfect environment to make new friends.*
- *Camp is where a child's independence and confidence is enhanced.*
- *With parents "not around," kids learn to be great problem-solvers.*
- *Camp is a place of spirit and camaraderie - promote this very special time in your child's life as an opportunity to establish life-long friendships!*
